

Vertical Edge 9800 IP Phones for Wave IP

Communicate more clearly with Vertical's Edge 9800 IP phones. Edge 9800 IP phones feature the latest in VoIP technology with an interactive, LCD menu screen and intuitive navigation to access the full power of the Vertical Wave IP™ via hundreds of enterprise-level phone features, including call recording, conferencing, paging, hot desking and more – all at the tap of a finger.

Easy to program and even easier to use, Edge 9800 IP phones feature high quality, high definition audio for true, reliable sound through the lightweight handset or hands-free, full duplex speakerphone. Choose from three models to fit the needs of any size organization.
